

# Loikka – a path to work

## What and for whom?

*This is for you, an unemployed job seeker aged 17-64! Are you interested in a work trial where an experienced coach is at your side looking for a new direction in working life?*

### The benefits of coaching:

- A personal coach who spars you throughout the entire process
- A partner to help you communicate with the employer
- Help in finding a job or to search other possibilities
